

ROCA Living Complaints Handling Procedure

Purpose

ROCA Living is committed to providing a professional service to all clients, landlords, tenants, applicants, contractors and other stakeholders.

We aim to resolve concerns quickly, fairly and transparently. Where a customer believes our service has fallen below the expected standard, this Complaints Handling Procedure provides a clear process for raising and resolving complaints.

This procedure is operated in accordance with applicable consumer protection legislation, industry best practice and the requirements of our redress scheme membership.

Definition of a Complaint

A complaint is defined as:

"An expression of dissatisfaction, whether oral or written, about the standard of service, actions or lack of action by ROCA Living, its employees, contractors or representatives."

Routine service requests, repair reports or general enquiries will not normally be treated as complaints unless dissatisfaction has been expressly stated.

How to Make a Complaint

Complaints should be submitted in writing wherever possible.

Complaints may be sent by:

Email: complaints@rocaliving.co.uk

Stage One – Internal Investigation

Upon receipt of a complaint:

Acknowledgement

ROCA Living will acknowledge the complaint within 3 working days.

The complaint will be logged in the Complaints Register and assigned to a senior member of staff who has not been directly involved in the matter where possible.

Investigation

We will:

- Review all relevant records
- Speak with staff members involved
- Review correspondence and supporting evidence
- Consider any relevant legislation, tenancy agreement terms or contractual obligations

Response

A written Stage One response will normally be issued within 15 working days of receipt of the complaint.

The response will:

- Summarise the complaint
- Detail findings
- Confirm any action proposed
- Explain the next stage of the procedure if the complainant remains dissatisfied

If additional time is required, the complainant will be informed of the reason and provided with a revised timescale.

Stage Two – Final Review

If the complainant remains dissatisfied with the Stage One response, they may request a Final Review.

The request must be made within 28 days of receiving the Stage One response.

The review will be undertaken by a Director or Senior Manager who has not previously investigated the complaint where practicable.

A Final View Letter will normally be issued within 15 working days.

- This letter will:
- Confirm the outcome of the review
- Set out ROCA Living's final position
- Confirm whether the internal complaints procedure has been exhausted
- Provide details of the independent redress scheme

Independent Redress

If the complainant remains dissatisfied after receiving the Final View Letter, they may refer the matter to the relevant independent redress scheme.

Details of the applicable scheme will be provided in the Final View Letter.

The complainant must normally refer the complaint within the timescales specified by the redress scheme.

ROCA Living will cooperate fully with any investigation undertaken by the scheme.
